

Magic Wand

what will you make levitate?

Supplies:

- recycled thin plastic bag
- plastic rod or thin PVC pipe
- piece of wool or fur

- 1) cut a small piece or a loop from the recycled plastic bag
- 2) rub the piece of plastic bag on the piece of wool or fur for 30 seconds
- 3) run the plastic rod on the wool or fur for 30 seconds
- 4) hold the small plastic loop above the plastic rod and see what happens!
